- ➔ **Transponder mode S is mandatory**; unfortunately no exemptions will be anymore granted.
- ➔ **From 06DEC2018: 8.33Khz spacing implementation**

### Parking:

General Aviation a/c will be parked on **Apron 3** (most westerly apron) : exceptions only on a case by case permission, granted by Airport Authority. For visiting a/c, the marshaller will pick you up on the taxiway, and guide you to your spot. Helicopters to land on the RWY and Hoover-/groundtaxi to the assigned spot (marshaller will be present).

Taxi's at Apron 3 available on request.

### Departure RWY26 / intersection t/o:

*Note: In order to reduce the taxi procedure, ATC may, subject to pilot's acceptance, authorize take-off from one of the intersections below. Pilots unable to accept should advise ATC duly in advance.*

RWY	From	TORA (M)	TODA (m)	ASDA (m)
08	C1 (*)	1761	1761	1761
26	A	2178	2178	2178
	C1 (*)	1438	1438	1438

(\*) Intersection C1 can only be used during HJ by aircraft with a weight of 5700KG MAX.

**Runup area:** at the departure intersection : either being Alpha/Charlie1 (26), or Foxtrot (08).

v.09/07/2019 WO

**Emigration/Immigration formalities: ---NEW JULY 2019---**

Immigration formalities (extra-schengen) can be done on site, on G.A. APRON 3: however, this **on condition, that the Federal Police unit has received all your id details (GAR, GENDEC) on forehand.**

This information has to be emailed to [lpao.oostende@skynet.be](mailto:lpao.oostende@skynet.be)

The main Office is located at the terminal building (Apron 2), which is situated in the scheduled commercial flights area, which implies stricter security (=screening) to enter, and consequently more hassle. In general: Immigration is 24/7 available and no prior notice required.
